... A Devoted Teacher

... A Loyal Friend

... A Trusted and Beloved Person

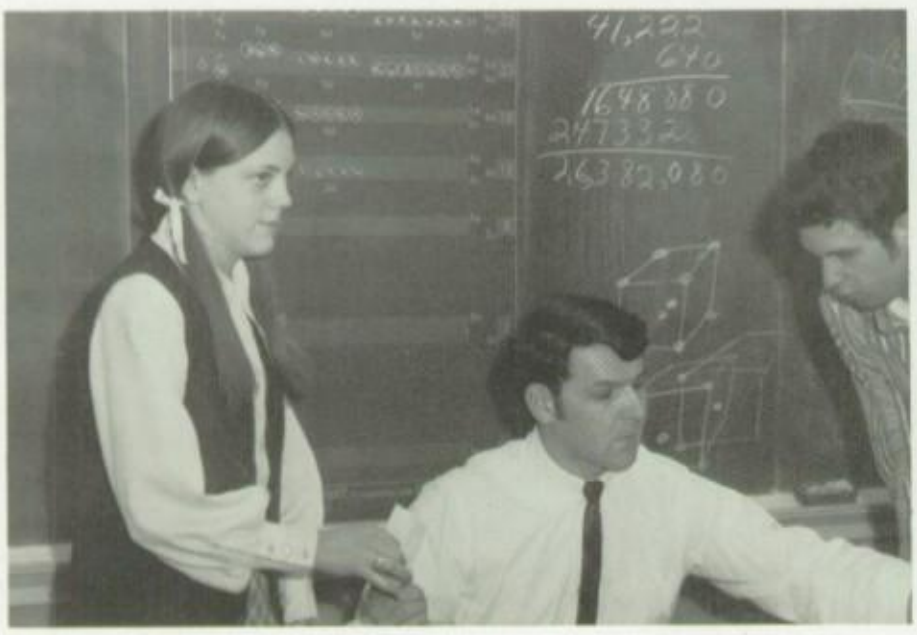
... We dedicate this 1971 Panthian to you,

Miss Blanche Vernier

Graduating from Stryker High in 1919, receiving training at Bowling Green State University, and returning to the Stryker classrooms for fifty-one years was the pattern of this understanding elementary teacher.

After teaching at least three generations of folk in the community, Miss Vernier retired in 1970.

One could not begin to count the hours she has dedicated to the teaching profession.



TOP LEFT: Ann Graber idolizes her favorite teacher, Mr. Schooley, as Jeff Gibson looks on.

ADMINISTRATION

STANLEY R. SHAFFER, Superintendent

Bowling Green State University, BS
in Education, Master's in Education.

Mr. Stanley Shaffer, superintendent of SHS, has many duties that pertain to keeping our school at its top condition.

The Board of Education has seen its high school undergo evaluations by both the State Department of Education and the North Central Association of Secondary Schools.

As a direct result of these evaluations our high school charter was continued by the State Department of Education and we were placed on the list of secondary schools approved for 1970-71 by the North Central Association of Colleges and Secondary Schools.

The results of these objective inspections attest to the quality of Stryker's small school program and to the caliber of its graduates.

PEARL SIMMONS

Each day, every day, announcements are given over the intercom system to keep students informed of daily events. This is just one of the many responsibilities of Mrs. Lohse, full-time secretary of the high school, who keeps things organized and running smoothly.

Helping Mrs. Lohse in her constant organizing duties is Mrs. Pearl Simmons who daily sells and records cafeteria tickets.

Administration Works for Better Understanding

R. D. REX, Principal

Not only is he the high school principal, but he serves as the Athletic Director and is the coach of the golf team for his third consecutive year.

Mr. Rex also teaches American and Ohio History.

CUSTODIANS: A. L. Wyse, Ralph Simmons, Glen Becker.

BUS DRIVERS: James Nofziger, Carl Beck, Peg Abramczyk, Jon Garber, Mary Barber, A. L. Wyse. NOT PICTURED: Dave Graber, Carlton Schooley, R. D. Rex.

The seven bus drivers begin their routes approximately 7:30 a.m., with each bus carrying an average of 60 students. In the mornings, buses 3 and 7 had too many students for their capacities so bus 1 ran a shuttle route between them.

Looking around the halls, one is likely to see the custodians at work. Their goal is to keep the school and grounds neat and clean. Also, to keep all buildings in good repair.

Personnel Team Up to Keep School Functioning

COOKS: FRONT ROW: Margaret Gansmiller, Pauline Bloom, Doris Schlosser. SECOND ROW: Sally Jaggers, Avis Bernath, Donna Haye, Lucille Short.

Mrs. Pauline Bloom and her cafeteria staff arrived early in the morning to fix the teachers' "wake-up" coffee. They also began to prepare one of many meals for the hungry students who ate at the cafeteria. Besides preparing food, the cooks added cheer with their seasonal decorations.

In Memoriam

Unforgotten in our book of memories is our loved classmate, Beverly Hancock, whose sudden death in a tragic automobile accident June 17, 1970, saddened our whole community. Her death deprives us not only of a treasured friend today but of a trusted citizen tomorrow.

Linda Brown and Rick Buehrer proudly carry their diplomas.

With tears of joy - after a year of "trial and tribulation," the SENIORS received their diplomas and realized their fondest dream ...

ORGANIZATIONS

Student Council had a very active year. A handbook containing rules all students should know was completed and distributed among the students. Last year's dress code was taken to the Board of Education to be revised. After consideration, girls were allowed to wear slacks December through March.

The student council was also in charge of the Homecoming, class, student council and cheerleader elections, record hops and assemblies.

The assemblies included two movies, "Oklahoma" and "The Music Man"; a guest speaker, Mr. John Shiraef; and two musical groups, "Dust," and because of the favorable response from last year, the "Caldwells" returned for another performance.

National Honor Society induction is a time of excitement for prospects-to-be. Ten new members were tapped thus making a grand total of sixteen, the largest ever for SHS.

Guest speakers for this memorable event on October 20 were Mrs. Carl Stotz, Mr. Otto Meyer, Rev. D. Wyse Graber, and Pastor Clayton Kantner who spoke on service, scholarship, leadership, and character respectively.

Biology Club Studies Nature Firsthand

If you plan to join the Biology Club, be prepared to "walk a mile," or two, or three, because this group of young energetics makes a habit of doing just that - walking to learn about the amazing world of nature around them. Old Man's Cave was their first adventure for the year, and again they ventured into the "great unknown" at Pokagon State Park.

Camping and hiking weren't the only activities of this club, however. Mr. Tom Wagner, a conservationist who teaches at Butler, Indiana, talked to the members on ecology and a popular topic of today, pollution.

The club has also seen a couple of nature movies and has visited the Life Sciences Building at Bowling Green.

OFFICERS. Rick Buehrer, president; Kevin Sigg, vice-president; Julia Graber, secretary; Beth Auby, treasurer.

"Tell It Like It Is," a series of songs describing God and His ways, was presented March 28. All the SHS members participated with a few giving solos. Shirley Sloan played the piano accompaniment for the production.

Rebuilding Year Shows Promise

Band is a year-round activity for those SHS students involved. Parades, contests, and concerts filled their busy schedule.

Although the band is large in number, it is basically a young one. Thus the '70-'71 year proved to be one of rebuilding. To help improve their musical abilities and poise in front of a large audience, band participants performed in an exchange concert with Hilltop and presented a spring concert.

Another new activity was the sale of fruit to rebuild the music funds. A new sound system was purchased as a result of the successful campaign.

Chorus Sings Way Through a Year of Songs

Each day at 2:35 students at SHS gathered at the Old Church to join their voices in harmony. Choosing "I Want to Live in Canaan Land," a spiritual, "Ay Walkin' O," and "Behold, the Lamb of God," for contest numbers, the chorus began to work in earnest. Through determination and hard work, on the part of Mr. Nofziger as well as the chorus, they received an Excellent rating at District Contest.

In March a small group from the mixed chorus was selected to sing in the all-county chorus at Pioneer.

The grand finale of this year was helping produce the musical "Oklahoma" by Rogers and Hammerstein.

The two ensembles performing at contest were a flute trio and a girls' ensemble.

Junior Musicians Learn Basics of Music

Today's Junior High Band and Chorus are Stryker's future musicians and vocalists. Under the direction of Mrs. Carol Wagner and Mr. James Nofziger, both will take the challenge. The Junior High Chorus demonstrated their talents and skills when they joined forces with the elementary in the Christmas Program.

Librarians Gain New Insight On Library Duties

Students have found the library a place where they can "get away from it all." A great variety of filmstrips on anything from physics to far-away places are the greatest attractions. Also added were the French tapes and records so students could better understand this land and its language.

The seventeen student librarians and Mrs. Morrison traveled to Bowling Green State University where they learned how a large library was operated. There they learned that a librarian's duties didn't consist of simply checking out books.

Christmas time for Mrs. Morrison was heightened when the librarians gave a surprise party for her. A collection was taken up and a new book bought for the library.

OFFICERS: Darci Meeker, president; Linda Brown, vice-president; Anne Wheeler, secretary-treasurer; Rita Stewart, reporter; Mrs. Morrison, adviser.

"Hey! You're not a filmstrip," says Sue Ruffer to Karen Staats.

From early fall to late spring GAA members are busy collecting points through a variety of sports, including softball, volleyball, basketball, and track.

For members who choose not to join these various teams, there are other activities in which they can participate. By attending the meetings they can earn the required number of points necessary to remain in the club.

A new system for the activities following the biweekly meetings was set up after Cathy VanNortwick, president, Nancy Sanford, vice-president, and Miss Roth, adviser attended the State Leadership Camp in the fall. The new method allows each girl to choose a different sport every three weeks, thus satisfying a variety of interests.

GAA OFFICERS. FRONT ROW: Nancy Sanford, vice-president; Cathy VanNortwick, president. SECOND ROW: Mary Brenner, secretary, Anne Wheeler, treasurer.

Karen Staats and Kathy Impton forgot their shoes in the rush to GAA.

Robin Jodry and Marcia Bernath enjoy reading the news before it hits the students.

"For the students, by the students" is the motto of the biweekly mimeographed school newspaper, Stryk-Hi.

Aiming for improvement, staff members attended the Bowling Green workshop in November to gain know-how and ideas.

Although the ever-nagging problem of getting the news in on time was no exception this year, Stryk-Hi heads Marcia Bernath, Julia Graber and 23 journalists provided the student body with the top news of Stryker Local.

To raise money, subscription sales were conducted at $1 a year, single copies 10 cents. Awards night at BG and the last big Senior Issue rounded out the year.

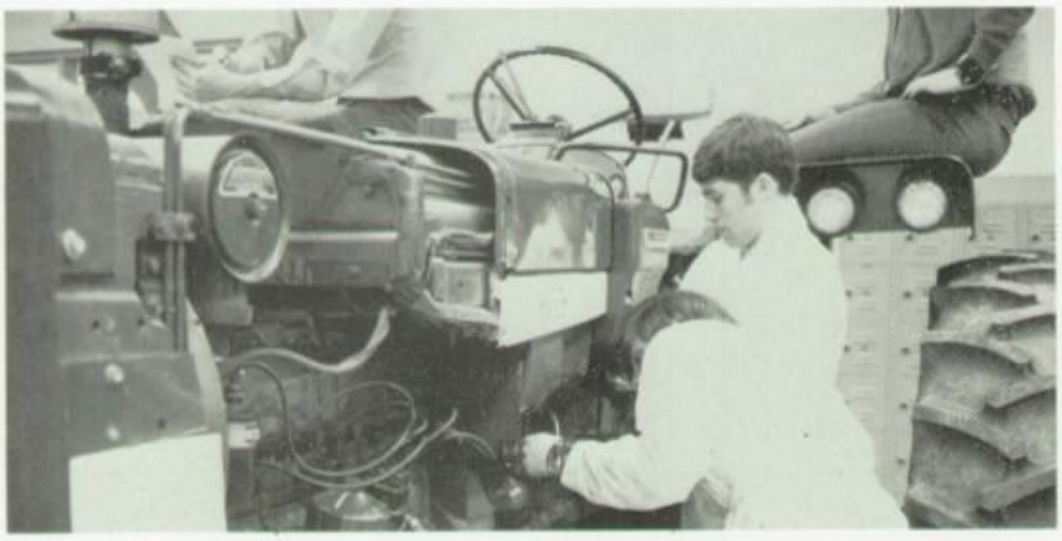
FFA Encourages Leadership



Quite a few members of the "blue jacket gang" were seen around SHS this year. The Stryker Chapter of Future Farmers of America boasted 20 members.

Seed sales, with Tom Opdycke as individual winner, and a scrap metal drive were the major fund-raising projects,

The FFA'ers placed 5th out of 10 teams in the tractor contest. In parliamentary procedure a gold rating was received by the Stryker Chapter.

The annual FFA-FHA banquet held in March rewarded many of the boys for their hard work. John Beck, a State FFA officer, was the guest speaker.

FHA: On the Move to Improve

LEFT: "George is my friend," says Pam Werder as she holds up one bulgie-eyed froggy. BELOW: "I'll take this one ... I think," says an indecisive Eve Perez as she examines one of the many kinds of candles sold by the FHA.

Service to the community, school and home is practiced by the Future Homemakers of America. These industrious young girls are always improving old skills and learning new ones.

Selling candles, running the coat check at basketball games, and making stuffed animals added funds to the treasury.

Entertaining their parents at the annual FFA-FHA banquet was the highlight of the year. As a service to the community, they canvassed the town for Heart Fund donations.

Chosen to attend the FHA convention in Columbus this year, were Ann Werder, Mary Hoffman, Pat Clark, and Pam Werder.

French Club Adds Culture to School

Each monthly meeting of the French Club has something to do with a phase of French culture.

Two of the more elaborate meetings were the French breakfast and the Christmas banquet. At the breakfast, Linda Brown gave a talk on her European trip and displayed some souvenirs.

A typical French three-course meal beginning and ending with the tradition of wine, alias soft drinks, highlighted the Christmas banquet. Guest speakers were Janice Graber and Marian Zedaker.

Members participated in a Fine Arts Program including songs, talks on art, architecture and science, and a French skit entitled "The Three Bears."

FRENCH CLUB OFFICERS: Randy Haye, president; Shirley Sloan, vice-president; Cindy Wyse, secretary; Beth Auby, treasurer; Mrs. Elaine Depew, adviser.

Dianne Depew, Peggy Leichty and Shirley Sloan study French magazines under Mrs. Depew's supervision.

Class editors Cathy VanNortwick and Karen Staats have fun sorting over 800 individual class pictures.

Time, patience, work, and loads of perseverance are required of staff members to meet the three deadlines during the year.

After attending the Taylor Yearbook Workshop in October, co-editors Sue Ruffer and Rick Buehrer began planning the page schedules and picture taking for the enlarged 128-page book.

To finance this publication, the senior class canvassed the area businessmen for ads and patronage and wrote receipts for over 300 copies at $5 each.

Amid littered tables in the commercial room, many after school and evening hours were spent in trying to produce a memorable book for you - the student body.

Explosive Spirits Mark Homecoming '71

Mounting excitement ... building speculations ... thundering pep rallies ... voting for nominees ... announcing attendants ... reuniting alumni ... glittering mums ... and finally ... the game ... the king ... the queen ... the dance.

... Then it was January and thoughts focused on the Homecoming which would honor two seniors and their court. Reigning over the festivities were pert and petite Cathy Van Nortwick, Stryker's second Homecoming Queen, and King Randy Haye, a sports enthusiast.

With spirits at a peak and anticipations high, fans desperately watched a game that ended in a loss by two points in an overtime.

Although the game proved to be disappointing, the dance certainly was not as King Randy, Queen Cathy, and their court led the evening's activities.

Selecting a comedy again this year, the talented seniors produced a very successful play. "A Connecticut Yankee in King Arthur's Court" tells the story of a man who is sent back in time by an electrical shock. He awakens amid knights, fair maidens, a king, queen, and an old magician. Many things take place as he tries to bring the old kingdom up to modern day times with many new inventions. The dream ends after the King's evil sister and the conniving magician, Merlin, try to take over the castle and are foiled by the Connecticut Yankee.

Directed by Miss Lana Blythe, the play showed fine acting as well as very creative sets, costumes, and props.

CENTER: "Sir Lancelot, will you please put that cup down before I lose my temper!" says Keith Haye to Randy Haye as he tries to explain his plans for King Arthur's court.
RIGHT: "Oh darn, not another snag in my armor!" says Jeff Wheeler.

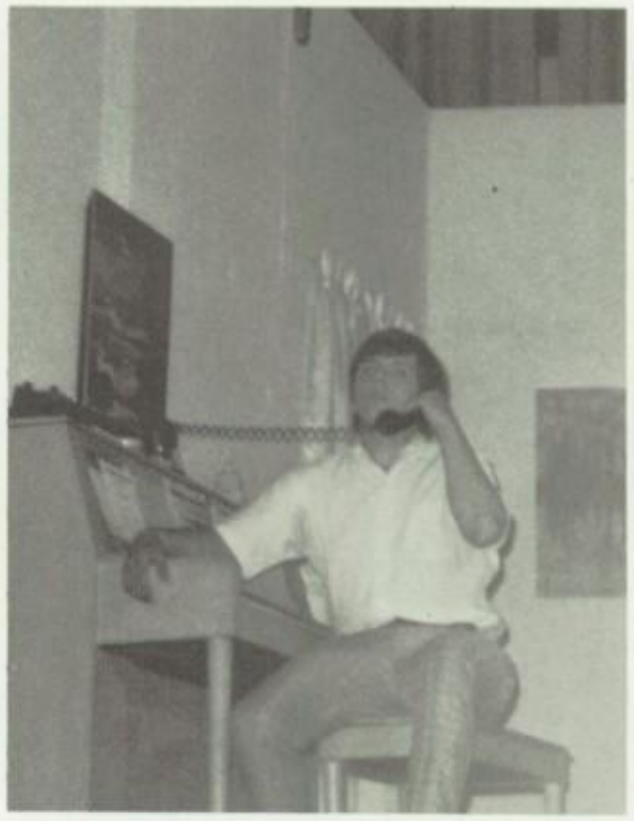
Juniors Produce Smash Comedy

Under the direction of Miss Lana Blythe the junior class came through with a hilarious production of the three-act play "Pillow Talk" on May 14 and 15.

The action centers around a man and woman who share a party line. Brad Allen, played by Kevin Sigg, is the playboy-type who is always talking or singing to girls over the phone. This totally infuriates Jan Morrow, played by Mary Brenner, an interior decorator, for every time she wants to use the telephone for her business, lover-boy is using it.

Brad discovers that Jan is just the kind of girl he would like to date, but by this time she dislikes him so much that when they do meet he decides not to tell her his real name.

Comedy never stops as they both find out in the end that they are in love.



Lover-boy, Kevin Sigg, ties up the phone again!

"Oklahoma," a musical by Rodgers and Hammerstein was selected for the 1971 production at Stryker High School. The plot was centered on the Oklahoma territory before it became a state. The lead girl's parts were double cast, giving more students a chance to participate. Mr. James Nofziger and Miss Lana Blythe were the directors with assistance from Mrs. Barb Price, choreographer, and vocal help from Mrs. Carol Wagner.

After months of hard work and practice, the efforts of everyone were rewarded as all three performances were well attended. After the final curtain, the cast, crew, and directors were honored with a standing ovation.

TOP LEFT: The part of Aunt Eller was double cast by Jane Garber and Kathi Short.

With a never-ending enthusiasm and loyalty for the Stryker Panthers, the cheerleaders supported their teams with many a cheer.

The squads were chosen at the end of the previous year by vote of the entire student body.

In June the varsity cheerleaders attended Smith-Walbridge Cheerleading Camp in Syracuse, Indiana, to learn new cheers, songs, and chants which were then perfected under the direction of Miss Sue Roth.

Among their other duties, the girls sponsored a money-making after-game dance, held a cake raffle at every home game, conducted tryouts for the 1972 varsity, reserve, freshman, and junior high elections, planned pep sessions, awarded the "spirit stick" to hard working fans, and kept the school spirit alive with the many eye-catching posters.

Though an "Off" Season, Basketball Produced Many Thrills

With a year of rebuilding ahead of them, Coach Culler and Coach Sinden knew they had to begin early in the season for Jim Currier was the only returning letterman on the squad.

From a disappointing beginning to a few high points in the schedule, the varsity worked and fought hard against some very strong teams.

After the final game had been played, the season record showed 6 wins and 14 losses.

In tournament the Panthers rolled over Hilltop in the first game 70-60, but in the second game was defeated by a strong Ayersville team 57-66.

The experienced reserves came through with a fine 16-4 record. They captured the Williams County League championship, being undefeated.

Under Coach Sinden the team proved capable of being able to "run and gun" with the best of them. The short, but scrappy guards kept the pressure on their ponents.

By the end of the year the reserves had rung up 982 points to their opponents 795, thus outscoring the opposition nine points per game. The boys played exceptionally good ball for the season and Coach Sinden will lose valuable talent, for his regulars are juniors.

Then with a number of losses in the personnel department, the future began to look dim. With hustle and determination the wrestlers pulled through with a winning season.

Leading the way was co-captain Jeff Wonders who won the BBL tournament championship for his weight class and finished the regular season undefeated. Also winning BBL tournament championships were co-captain Jeff Wheeler and Kevin Sigg.

Runners-up in Sectionals; 5th in District

The Stryker Golf team, under the able coaching eye of R. D. Rex, showed an impressive season of a 10-4 record. This was also highlighted by being runners-up in the BBC to Montpelier.

With this record under their belts the team advanced to Sectionals and were runners-up to Ottawa Hills, who were playing on their home course.

This gave our team a chance to go to district where they finished 5th out of nine teams.

ELEMENTARY

Grade Teachers Mold the Minds of Future Citizens

More attention to special interests gave the elementary program a broader outlook as departmentalization was used in grades 4-5-6.

Completing his seventh year as elementary principal, Mr. Kenneth Culler enthusiastically established noon basketball games for boys in 5-6-7. This competition created excitement in junior athletics. Also, in the spring, students participated in a Track Field Day.

Mrs. Joan Culler assisted her husband as a part-time secretary and teacher.

New elementary grade cards developed by the teachers more clearly evaluated the progress of the student in subject areas.

To advance their education, some of the staff attended college classes; others, workshops and meetings throughout the year.

THE ROAD GOODBYE

The road I took was named Goodbye
The path looked strange. I wondered why
It left familiar things behind.
A hand caught mine . . . I paid no mind.

The stranger never once did say
Just what had brought him on my way.
On we went, and some afraid
I wished I hadn't come, but stayed.

All the friends that I once knew
Took a road named Goodbye too.
There were no two roads just the same
Though all were called Goodbye by name.

The road went on; we went on too,
And I was sad, for then I knew
That never could I be the same
Having walked down Goodbye Land.

And though I couldn't understand
We walked together hand in hand.
We said no words, but just walked on,
I thought of things now past and gone.

I thought of games I'd lost and won,
I thought of all the things I'd done,
I thought of those I loved and cared,
Of times we'd had, of things we'd shared.

I thought of those I'd come to know.
Just knowing them—they'd helped me so.
I thought of things, of tears I'd shed . . .
Those same things now brought smiles instead.

The tasks I'd done, those left to do,
I wondered how I'd make it through
When something inside seems to say,
"The best you can from day to day."

The way was rough; I knew the score,
It never ends . . . there's always more.
But now I know that all in all
Each thing in its won place will fall.

I thought of all the happy days,
The sad ones now just seemed a haze,
And in a flash I came to see
How much the past had meant to me.

We walked along—I wondered where
The future led and what was there.
The past still echoed from behind
I was its, and it was mine.

But in my heart was still a fear,
And in my eye a shining tear;
Yet on my face there was a smile,
And we walked forward all the while.

I walked along the road Goodbye.
I looked back once . . . I heaved a sigh.
Then I remembered at my side—
My silent, but my constant guide.

The stranger's hand I felt in mine.
I looked into his face this time.
I asked his name—he turned just so,
He smiled and said, "I'm called Hello."
